INTRODUCTION

Dear: _____ (Seller Name)

I am introducing AUTOHUB SINGAPORE to you, and request that you form a relationship in order to ship my vehicles to New Zealand using their AUTOHUB PACKAGE SERVICE. I request that you speak to them when they call, and assist them to ship my vehicles using their services. I believe we may both benefit from this system.

When booking my vehicles, PLEASE forward all relevant information, such as Commercial Invoice, or Data Sheet and copy of De-registration paper, to AUTOHUB SINGAPORE as soon as possible, so that they can complete their processes (such as NZ Customs Entry).

PLEASE do this every time you make a booking.
